- ▶ **End Users**
- ▶ **Tools and Technologies**
- ▶ **Portfolio design and Layout**
- ▶ **Features and Functionality**
- ▶ **Results and screenshots**
- ▶ **Conclusion**
- ▶ **Github Link**

# PROBLEM STATEMENT

- ▶ **The reason for creating this digital portfolio is to present the sports person's journey, achievements, and skills in a structured and attractive way. Instead of relying only on a paper resume, this portfolio makes it easier to showcase achievements, studies, and personal details in a visually appealing manner. It helps the sports person stand out among others, build a professional identity online, and inspire others through their dedication and success.**

# PROJECT OVERVIEW

- ▶ About project overview
- ▶ This digital portfolio contains sections such as Profile, About, Studies, Achievements, and Contact.
- ▶ The Profile section displays the sports person's image and title.
- ▶ The About section introduces them with a short description.
- ▶ The Studies section highlights academic qualifications
- ▶ The Achievements section showcases medals, awards, and recognitions.
- ▶ The Contact section provides email, phone number, and location for networking.
- ▶ It is a complete representation of both personal and professional growth.

# WHO ARE END USERS?

The end users are:

- ▶ **Sports recruiters and coaches – They can evaluate the player's skills and achievements.**
- ▶ **Sports organizations/clubs – Can identify potential talent for events and competitions.**
- ▶ **Fans and general audience – Can get inspired and know more about the athlete.**
- ▶ **The sports person themselves – To build a professional digital identity and easily share their achievements.**
- ▶ **This is useful because it saves time, looks professional, and creates a strong first impression.**

# TOOLS AND TECHNOLOGIES

- ▶ **HTML (HyperText Markup Language) → Used to structure the web page and content.**
- ▶ **CSS (Cascading Style Sheets) → Used to design the layout, colors, and style (turquoise theme).**
- ▶ **JavaScript → Used for smooth scrolling functionality and interactivity.**
- ▶ **Code Editor (Visual Studio Code / VS Code) → Used to write and edit the code efficiently.**
- ▶ **Browser (Chrome/Edge/Firefox) → Used to test and view the portfolio.**

# PORTFOLIO DESIGN AND LAYOUT

- ▶ **Navigation Bar** → Provides quick links to different sections (Profile, About, Studies, Achievements, Contact).
- ▶ **Profile Section** → Contains a profile photo, name, and a short tagline describing the sports person.
- ▶ **About Section** → Explains who the sports person is, their dedication, and their journey.
- ▶ **Studies Section** → Academic details, certifications, and sports-related education.
- ▶ **Achievements Section** → A list of medals, awards, and recognitions (shown as text items with hover effect).
- ▶ **Contact Section** → Provides email, phone number, and location details.
- ▶ **Footer** → Copyright information and portfolio ownership.
- ▶ Each part is designed with turquoise blue shades for a fresh and energetic feel.

# FEATURES AND FUNCTIONALITY

- ▶ Smooth scrolling animation when clicking on navbar links.
- ▶ Profile image with circular frame for a professional look.
- ▶ Hover effects on achievements list to make it interactive.
- ▶ Simple responsive design that adjusts content spacing on different screen sizes.
- ▶ Clean navigation bar for easy access to sections.

# RESULT AND SCREENSHOTS

# CONCLUSION

- ▶ **This digital portfolio is an effective way for a sports person to showcase their achievements, qualifications, and contact details in one place. It creates a strong professional impression and makes sharing accomplishments easier than a traditional resume. The turquoise theme, smooth interactions, and simple layout make it engaging and user-friendly. Overall, this portfolio is beneficial for career growth, recognition, and connecting with opportunities.**

**THANK YOU**
